

National Finance Award

The Government Finance Officer Association (GFOA) has a Distinguished Budget Presentation Award program that recognizes high-quality budget documents that meet program criteria and strive to improve budget transparency in their community. The City of Trinity's Finance Department received its first Budget Award on September 23, 2022.

Recognized nationally for the 2nd consecutive year, the Finance Department has been awarded the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States and Canada.
